Conference Calls

The smoke-free campus forum is just the start of activities CHA has planned to assist hospitals in going fully smoke-free. We have established a series of educational and informational conference calls, where experts will present on topics related to the smoke-free campus initiative and answer your questions. The calls will also provide an opportunity for hospitals to discuss how they're doing, including success stories and challenges. Call agendas and guest speaker information will be distributed before each call. See the calendar and dial-in instructions below.

Each call takes place from 10:00 a.m. – 11:00 a.m.

ListServ

In addition, a Connecticut Smoke-Free Hospital Campus Initiative listserv has been established to provide a forum for hospitals that have already or are seeking to go smoke-free. Contact Courtney Benevides at benevides@chime.org to be added to the listserv. (All CHA members registered for the September 19 smoke-free initiative kick-off meeting have been added to the listserv.)

The listserv will be activated on October 1, 2008. An activation message with posting instructions will be sent to all listserv members at that time.
