Recognition Products and Awards -- Barker Specialty

Barker Specialty is a leader in providing memorable promotional products with impact. Barker's knowledgeable and experienced staff can help you design a recognition program to meet your hospital's needs. CHA Shared Services Program members receive a 20% discount off of catalog prices.

For a complete catalog visit their website at www.barkerspecialty.com. To set up an account, or to discuss a recognition program, please contact Bridget-Ann Kingsbury, Director of Marketing, at (800) 227-5377, ext. 223, or bkingsbury@barkerspecialty.com.

Identification Products (includes Signs and Ash Receptacles with No Smoking Signs) – Seton

Seton offers more than 50,000 identification and safety products including signs, tags and labels to identify and protect property and people in every area of your hospital.

Seton also specializes in custom, made-to-order safety products. Hospitals can work with a Seton designer or create custom products with Seton's easy-to-use online applications.

CHA Shared Services Program members receive a 23% discount through the MAGNET group (5% on equipment, label machines, printers, first aid products, hardware, and software.). Simply reference MAGNET when placing an order with customer service at (800) 243-6624.

For a complete catalog visit the Seton website at www.seton.com. For questions, or to set up an account, please contact Jeff Lublin, Sales Manager, at (800) 451-7084, ext. 4517 or jeff_lublin@seton.com.
